OUR HISTORY

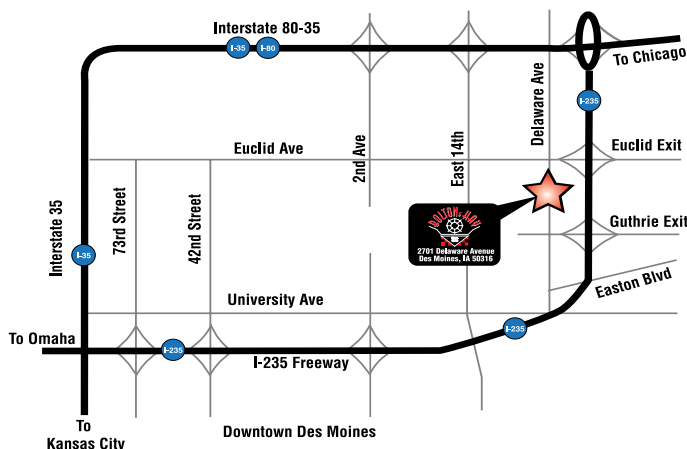

Bolton & Hay is a locally owned company that has enjoyed serving Iowa communities since 1920. First, as a provider of equipment and supplies to popular restaurants in the Des Moines market and later as a "full service dealer" to the entire state of Iowa providing assistance to restaurateurs from concept to completion of a new or remodeled facility. Today we continue the tradition, striving to offer the most value to our customers through our experienced staff and family style customer service. Come in and say hello to Kelsey Bolton - 4th Generation working at Bolton & Hay.
